

Policy Provisions

1. Students admitted to AU are expected to maintain continuous registration until they graduate. Dormant or withdrawn students wishing to return to the University will need to be readmitted including those who:
 - Failed to register during the advertised periods;
 - Left the University without an officially approved leave of absence;
 - Officially withdrew from the University for any reason.
2. Readmission is granted only once and is subject to the terms of this document.
3. Applications for readmission must be made through Admissions and Registration during the announced period. Late submissions are not accepted. A non-refundable application fee must accompany all applications.
4. At the time of making application, a student must meet the minimum admission requirements and must not have been away from the University more than two (2) academic semesters.
5. Students expelled from the University on disciplinary grounds cannot apply for readmission.
6. Students expelled from the University on academic grounds can only apply for admission in a different College/School.
7. Students seeking to reapply need clear all outstanding amounts owed to the University and remove all holds on their records (if any) before submitting a Readmission Application.
8. Students who were previously in the English Language program must take the University's English Placement Tests.
9. Applications for readmissions are reviewed individually by the Admissions Committee. Readmission is not guaranteed; decision to readmit a student is based on factors including:
 - previous academic and disciplinary record;
 - reasons for not previously continuing studies;
 - student's potential for successfully completing the qualification;
 - available capacity.
10. If a student is readmitted, his/her previous grades are carried over and all semesters away are counted towards the maximum period for completion of the program

according to the University progression rules. Students readmitted in a different College/School will start with a new academic record.

11. Cases not addressed in this document will be assessed and decided individually.
12. Appeals:
No appeals are accepted from students who left the University with poor academic standing.
